Membership Report to BOD 25 Jan 2016

Some numbers:

- o We have 474 members
- e 352 dues paying
- r 110 new and renew since 1 Nov
- o 165 with dues now due
- o The difference is those who are paid up for more than one year
- o 31 due to renew have no email, snail mail reminder will be sent
- c 62% of new/renew did so online paying by paypal

There is a problem processing mail-ins. Gord is aware of this and a plan is in place to remedy the situation

Honorary Members:

Our by-law states that there shall be only one class of member and that the qualification is that the member has served or is serving in the Canadian Armed Forces.

There are currently 10 Honorary Members, six of whom are unknown to me. Suggest that if we wish to

retain these members we make them "Members" and pay (on paper) their dues to expire at some

distant date in the future. "Life" member is a level which is the number of years paid up by the member

so this would make them "Life" members. There is at least one Honorary Member (maybe more) who

cannot be a member. What do we do with him???
